OPERATION FLINT

Information

Dates and Times:

We will be leaving Penn Forest Worship Center at 1:00pm Sun July 29th

We will be returning to Penn Forest Worship Center approx. 7:00pm Sat August 4th

Registration:

When a student has submitted the paper work and full payment to the pastor/youth sponsor that is in contact with Scotty Grigonis that pastor will call Scotty and the students name will be added to the list.

The deadline for registration Wed July 25th. No exceptions.

Expectations:

This is not going to be a comfortable joy ride. We are going to a depressed city to bring hope. We will be working hard every day. Laziness will not be tolerated. This is going to be a fun experience but it will also be challenging. We will have fun every night with all kinds of entertainment and fellowship but the nature of this trip is service. If this isn't something the student can submit to the student should not come.

Cost:

This trip will cost each student \$200. This covers transportation, food, lodging, and a canoe trip.

We will be charging \$160 for students who attended Shenandoah Youth Camp 2012.

Each student will need travel money for food stops to and from MI. (est. \$20)

For Students already in MI we will be charging \$80.

Make checks payable to PFWC.

Additional Info:

For issues such as diet or medical conditions that will need special attention please add an additional explanation sheet in the packet you submit for registration.
